Re: In the Matter of Petition of TracFone Wireless, Inc. for Designation as an Eligible Telecommunications Carrier in the Commonwealth of Kentucky for the Limited Purpose of Offering Lifeline Service to Qualified Households; PSC Case No. 2009-00100

Dear Mr. Derouen:

Attached for filing in the above-referenced docket is the revised quarterly activity report of TracFone Wireless, Inc. for the second quarter of 2012. TracFone is filing this report in compliance with the Commission's order designating the company as an eligible telecommunications carrier.

The revision incorporates certain corrections to the non-usage figures for May and June 2012. TracFone discovered an error in connection with changes to its reporting system on June 1, 2012. The error did not affect any reports to USAC or any claim for reimbursement.

We request this information be designated as confidential pursuant to KRS 61.878(1)(c), because it contains valuable commercial information, including the number of customers subscribing to TracFone's service who have been de-enrolled, and is information "generally recognized as confidential or proprietary, which if openly disclosed would permit an unfair commercial advantage to competitors." We have attached one original copy of the confidential report, and ten copies of the redacted report.

If you have any questions, please feel free to contact me at (305) 715-3613, or sathanson@tracfone.com.

Sincerely,

Stephen Athanson
Regulatory Counsel
